

May 2003

The front entrance signs are now complete with lighting. Many of you told us the red brick didn't match the new signs. Therefore, we had the brick power washed and painted by Highview Painting Company. The board members and zone representatives did the weeding and landscaping. We plan to add hardy mums and bulbs in the fall. Please feel free to pull weeds anytime you see them pop up! Your help is always appreciated.

The winners of the \$50 gift certificates in the prize drawing:

Billy and Shirley Montgomery	4709 Oak Bend Dr.
Willis and Johanna Brothers	11102 Shady Hollow Dr.
Sonny and Jill Cease	4707 Shenandoah Dr.

The results of the snow removal and garbage collection questionnaire are:

Snow Removal: **40% FOR 60% AGAINST**

Community-wide Garbage Collection: **90% FOR 10% AGAINST**

Based on the results, there will be no change on snow removal. The Community Association will NOT provide snow removal and there will be no increase in dues for such service.

We are getting estimates for community-wide garbage collection. The estimates will have prices for collection with and without cans, recycling and yard waste. You will be able to select the services you want and the garbage company will bill homeowners directly. The program will be optional, but the more homeowners that participate, the better the rates will be. More information will be provided once bidding is completed.

The next annual meeting will be held late summer/early fall. Please let us know if you prefer a week night or weekend day for the meeting. You can e-mail us at this website (www.bhhca.org.) or contact your zone rep. or any board member.

2003 Annual Dues were past due as of May 1. If you have not made your payment, please do so to avoid additional costs and/or further collection action.

Board of Directors
Brooks of Hickory Hollow Community Association, Inc.
